

Company Profile: Car Master Ltd.

Mission Statement: To provide reliable, transparent, and high-quality automotive services that ensure road safety and customer satisfaction.

Company Overview: Founded in 2015, Car Master has grown from a small garage to a leading automotive service provider. We specialize in modern car technology, focusing on hybrid and fuel-efficient vehicles.

Our Specialized Departments:

1. **Electrical & Electronics:** Fixing complex wiring and sensor issues.
2. **Mechanical Works:** Suspensions, brakes, and transmission repairs.
3. **Body Shop:** Paintwork and denting services with precision.

Operational Excellence: We follow a strict 3-step quality control process:

1. **Incoming Inspection:** Thorough check-up upon arrival.
2. **Professional Repair:** Using genuine OEM parts only.
3. **Final Road Test:** Ensuring everything works perfectly before delivery.

Registration & Compliance:
